Song Lyrics

“LIFE BALANCE ROUND”

By Lee Smedley

TUNE: *Frere Jacques*

Life worth living. Life worth living.
Counts for me. Counts for me.
Timing for dreaming, dancing. Fishing and romancing.
Sets me free. Sets me free.

TUNE: *Three Blind Mice*

Friends and family. They're all important to me.
Taking time to schmooze. Catching up on news.
Walking together along the road.
Helping each other to carry the load.
It's so much better than going alone.
Life is good. Life is good.

TUNE: *Row, Row, Row Your Boat*

Work, I want good work.
Work that gets fair pay.
Work that matters and gets results
Each and every day.
