Song Lyrics

“MY LIFE IS A MESS”

By Lee Smedley

Hot date tonight, yeah this could be it. HmMMM.
I peek in the mirror, now I've got a zit. Oooo, my life is a mess.

Oooo.....Oh, whoa is me. Whoa.....oh. Ooo, my life is a mess.

Three hundred emails in my in-box today. *Oooo, my life is a mess.*
No golf this afternoon, man. I can't go out and play. *Oooo, my life is a mess.*
The car is a junker, now it won't go. *Oooo, my life is a mess.*
Six miles from home, and it's startin' to snow. *Whoa, my life is a mess.*

Oooo.....Oh, whoa is me. Whoa.....oh. Ooo, my life is a mess.

Stayed up all night, my kid's got the flu.
Now I'm late for work, broke the heel on my shoe.
My charge cards are maxed, my payments are due.
My back's to the wall, what am I gonna do?
Oooo.....my life is a mess.

Oooo.....Oh, whoa is me. Whoa.....oh. Ooo, my life is a mess.

Oh, how I wish that I could meditate. *Ummm, my life is a mess.*
But I'm so tired, if I should stop...I'm in a catatonic state. *Ummm, my life is a mess.*
I can't see straight, my migraine is back. *Ooooo, my life is a mess.*
The deadline's today, and I've got NO slack. *Whoaaaaa, my life is a mess.*

Oooo.....Oh, whoa is me. Whoa.....oh. Ooo, my life is a mess.
Oooo.....Oh, whoa is me. Whoa.....oh. Ooo, my life is a mess.
Ooo, my life is a mess.....Ooo, my life....., my life is a mess.
